## Product Description

### White green plant net cover, transport net cover, high elastic orchid pot plastic net cover

The packaging net can be widely used in fruit packaging, vegetables and food packaging. Utilizing its pores, the inside of the product is provided with air circulation in the best way to prevent rot from occurring inside the product. It can also be used as a mesh bag or ball bag for toys. This is the most economical way for supermarket products. Knight offers large rolls. You can cut them into different lengths according to requirements, or you can make them into finished products according to the length.
