Product Description

Transparent makeup brush net cover, plastic small net cover

This packaging website can be widely used for fruit packaging, vegetable and food packaging. Utilize its pores to provide optimal air circulation inside the product and prevent internal corrosion. It can also be used as a mesh bag or ball bag for toys. This is the most economical way for supermarket products. Knight provides large rolls, which you can cut into different lengths according to your requirements or make into finished products according to the length.
